Treatments per year	3 times max (phytopharmacological)
Weeding	mechanical
Planting year	2000
Density	8000 - 10000 vines / hectare
Trellising	Cordon de Royat

### IN THE WINERY

---

Fermentation	25 dd
Aging	French barrel 600 lt
Percentage of new barrel	30%
Annual production	1500 - 2000 bottles

### TASTING NOTES

---

Vintage	2015
Eye	brilliant yellow with good intensity
Nose	this varietal present throughout the Aosta Valley expresses a world of perfumes. Immediately it shows itself citrine, with a prominence of quince, at the end it moves slowly to the most fascinating notes such as saffron and lemon balm
Mouth	the fascinating result of refinement in small French oak barrique balance the great minerality of this mountain wine that entertains, wraps around and seduces the palate, always showing his character through a long acidity
