LA TOUCHE BLANC

PLANTING YEAR: 1999 / 2002 / 2004

ALTITUDE: 700 - 900 m asl

SOIL: Mixed

DENSITY: 8,000 - 10,000 vines / ha

VINE TRAINING: Spurred cordon

YIELD PER HECTARE: 9 t

VINIFICATION: White vinification

AGING: For 6 months in stainless steel with bâtonnage

ALCOHOL CONTENT: 13.5%

TASTING NOTES:

Delicate straw yellow color. Fragrant and lightly aromatic nose with hints of musk and elderberry. The palate presents rich fruity pulp, ripe and well-defined, with nuances of flowers and a savory finish.
